First Aid Classes Start Here Friday

First Aid classes, under the direction of the WPA Recreation department, start Friday at Number 1 firehouse, 188 Santa Barbara avenue. They are open to the public and no charge is made.

This course is a standard Red Cross course. Classes will be held from 7:30 to 9:30 p. m. each Friday, for a period of twelve weeks. Official First Aid cards will be given upon completion of the instruction.

Bob McCoughlin, of E. Bullard and company, safety engineers, San Francisco, will be in charge, assisted by Captain Kai Peterson of Company Number 1, Daly City Fire department.

"I strongly recommend these classes to the public," says Bruce Boynton, local Recreation department head. "We have the best instructors available, and the knowledge of what to do in the event of an emergency is invaluable."

Veteran Firemen Nominate Officers

Veteran Firemen met at their usual meeting place, 188 Santa Barbara avenue, Friday evening. A large number of the comrades were present. President Comrade Peter V. Valente presided.

Reports on the Comrades' participation in Daly City Day at the Fair were read by Comrade Secretary Ford.

The group pictures, taken at the last meeting, were available, and a large picture of the Comrades is being framed and hung in the hall.

Officers for the coming year were nominated, and election will be held at the next regular meeting.

Other business was the appointing of a committee to attend a joint committee meeting to discuss the building of a hall.

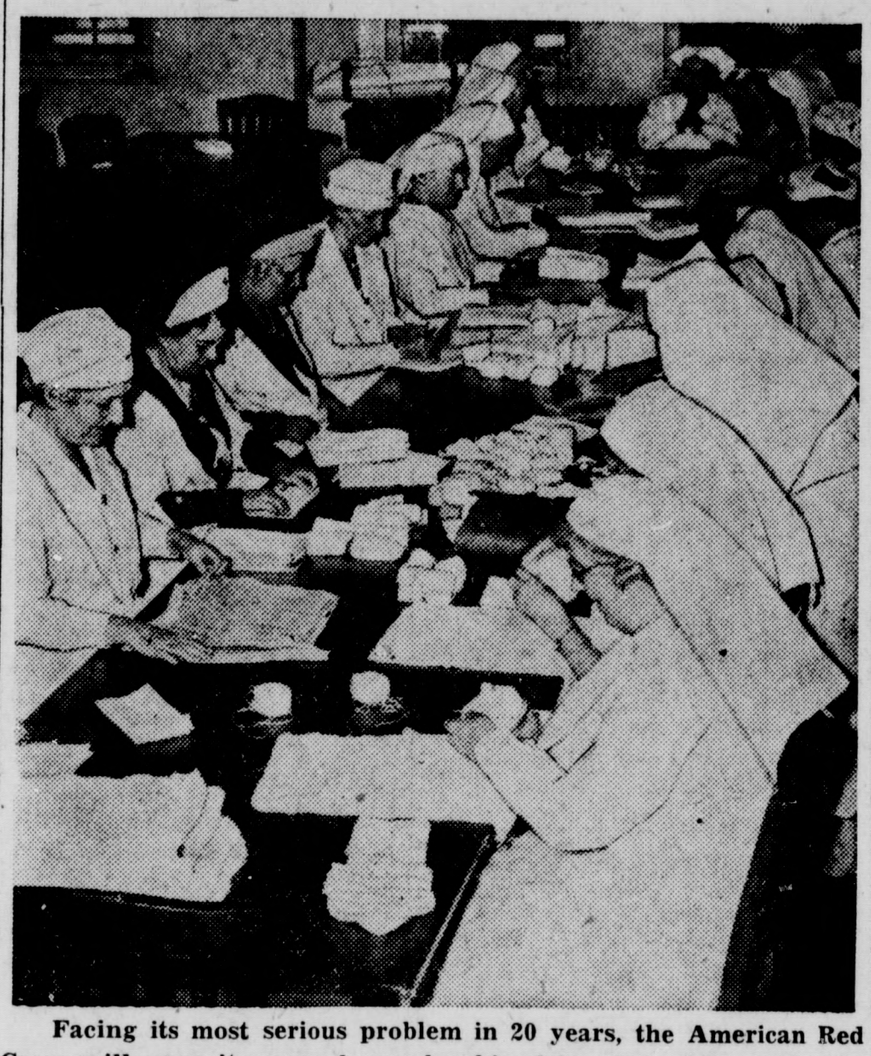
Comrade Roehmer jr., formerly of Company No. 1, now residing in Mountain View, was present. Comrade Past President F. Hansen was the lucky winner.

Comrade Chef J. Hesslein prepared the buffet supper served after the meeting.

Hatless Fad Not New

The hatless fad, which was at its height in '32 and '33, was neither new nor collegiate. It dated back before the American Revolution to the time when English dandies carried their hats in their hands to avoid mussing their curled and powdered wigs.

Red Cross Opens 'Crisis Year' Roll Call



Facing its most serious problem in 20 years, the American Red Cross will open its annual membership drive Saturday, under direction of Lewis H. Brown, New York industrialist. Chapters hope to raise last year's membership of 5,700,000 to about 10,000,000 before the campaign closes November 30. Photo shows volunteer Red Cross workers back at their old World War task of making bandages and surgical dressings.

Red Cross Roll Call Starts Nov. 11

The 1939 American Red Cross Roll Call starts next Saturday. This yearly Roll Call makes possible the carrying out of important emergency tasks undertaken by the Red Cross.

Chairmen for San Mateo districts have chosen their co-workers and the Roll Call membership drive will continue from November 11 to 30.

Chairman for Daly City is Mrs. Horace Fellows; for Colma, Mrs. Margaret Pauline Brown, and for Lawndale, E. A. Weisenburger.

Volunteers meet Tuesday and Wednesday at the Red Cross workroom, San Mateo junior college, to complete the chapter's quota of surgical dressings. These dressings are distributed impartially to all nations through the International Red Cross committee at Geneva.

1500 Tickets Sold For D. C. Day at Fair

More than 1500 souvenir tickets were sold for Daly City's gala day at the Fair, according to a financial report submitted to the city council, Monday evening, by H. G. King, chairman of the Fair committee.

In addition to the 1500 regular admissions, King stated, there were 2256 ribbons sold for Daly City's ball, whose sparkling dance music, played under the direction of Johnny Dell, proved successful in attracting hundreds of additional Fair visitors away from the usual evening entertainments.

Total cash received from the sale of ribbons and tickets amounted to $814.75.

50-DAY MEET FOR RACING SUGGESTED

Select Tanforan Officials Prize Purses Announced

Forecasting a new setup in horse racing for San Mateo county tracks, the California Horse Racing Board today is conducting a survey with the view of changing the 25-day meetings each Spring and Fall for Bay Meadows and Tanforan.

Change in the schedule was recommended to the Board last May by J. W. Marchbank, directing owner of Tanforan, who urged the Board to grant one 50-day meeting annually to each track. Marchbank made application for the first 50-day meeting next Spring.

If granted the 50-day Spring meeting, Marchbank said it is his plan to hang up attractive purses for a meeting to open at Tanforan shortly after the close of Santa Anita. This plan, he added, will attract many high-class horses from the Southern California track upon its closing. The Tanforan head expressed the belief such a plan will do much to bring to Northern California a marked improvement in horse racing. He said the short runs now prevailing, and some of the inadequate purses offered were a handicap to high-class racing in this county. He saw in the plan also, an added attraction for visitors and tourists.

Education Week Observed Locally

Observing American Education Week, November 5 to 11, the Woodrow Wilson elementary school is exhibiting room displays designed to give evidence of what Emerson has defined as "progress" —"the activity of today and the assurance of tomorrow."

The exhibits have been taken directly from the daily work of the students and displayed so that parents can, by means of comparison with their own school days, see the advantages and opportunity in present-day school standards.

American Education week is sponsored by the American Legion and the National Education association. It is one of the most significant national observances attempting to acquaint the public with the work of the schools.

Burchell's suicide was blamed on despondency over his failure to find work, according to police. He was a member of Jonathan lodge, No. 545, F. & A. M.; Unity lodge, I. O. O. F., and Oriental Encampment No. 57, I. O. O. F.

San Mateo County charter amendment proposal to eliminate the office of county executive was beaten by more than six thousand votes.

Cub Pack No. 141 Enjoys Whizzeree

Cub Pack No. 141 last week enjoyed one of the most novel pack meetings of the year, when the boys all went for a Whizzeree in a Whizzer-Whizzer, a big truck driven by Mr. Derungs, Den Dad of Den No. 4.

Making their first stop at 29 San Louis avenue, the home of Mr. and Mrs. Chris Raanes, Den Dad and Mother of Den 2, the cubs were introduced by Elmer Raanes. Mr. Raanes spoke to the boys briefly of boyhood days in Norway; Den Chief Robert Sutherland led the pack in a yell; and following a game, won by Robert Anderson of Den 3, and the serving of cider, the pack filed through the den house to observe cubs at work on craft projects. Directed by Den Chief Sutherland and Assistant Elmer Raanes, cubs included Robert Thompson, Robert Statton, Richard Raanes, Harry McCune jr., Rodney Duffy, Andrea Lamound and Mascot Teddy Raanes.

Whizzing to the home of Henry Herting sr., 535 San Diego avenue, the cubs were introduced by Warren Herting, and a hearty welcome given them. Scout Roy Camillo led the pack in another yell, and was then installed as chief of Den 4, with a colorful scout ceremony. Cookies were passed around.

Last stop of the whizzer-whizzer was at the home of Mr. and Mrs. Willard Bock, 81 Cavour street, parents of Leslie Bock. Den Chief Kenneth Claussen led the yell this time, and a contest, won by Roy Camillo and Leon Marabile, and popcorn and apples concluded the evening.

Boy Scout Troop No. 141 will attend the Jefferson "Armistice Revue" tomorrow night instead of holding their regular meeting, according to Joseph Straughan, scoutmaster.

New 1940 Chevrolet Master De Luxe Sport Sedan

Chevrolet Offers Driving Comfort

Among the immediately popular features of the new 1940 Chevrolet, which made its elaborate debut to motorists of this area recently, is the treatment of the driver's compartment in all models of the new 1940 series.

"Although comment on the 1940 Chevrolet was favorable in the extreme and the three new series were accorded one of the most enthusiastic receptions in the history of Chevrolet, the response to the spaciousness of the driver's compartment was gratifying indeed," according to F. Norman Phelps, Pacific Coast regional manager of Chevrolet.

The combination of increased room in the front seat, enabling three persons to ride comfortably and the harmonious treatment of the new 1940 Chevrolet's instrument panel, met with the immediate approval of record-breaking announcement day visitors, Phelps pointed out.

Announcement day visitors also expressed approval of Chevrolet's inclusion of Vacuum-Power Gearshift, an exclusive Chevrolet feature, on all models of the company's new three series line, according to M. J. Soldavini, manager of Belli Motor company, Mission and Market streets, local Chevrolet agency.

After the presents were opened by Mrs. Wester, a buffet supper was served by the hostess and games were played during the evening.

Guests present were Mesdames Margaret Anderson, Frances Surber, Josephine Gohl, Alma Gohl, May Wester, Eva Beffer, Pauline Smith, Helen Greig, Gussie Anderson, Rhea Henderson, Bertha Young and Miss Jeanette Young.

Colma Merchants Win Fifth Game

Colma Merchants won their fifth game in the Winter league, Sunday, on the Jefferson diamond, when they beat Visitacion Valley, 5-10. Colma is still at the head of the "B" league.

Preston, Colma's nineteen-year-old pitching sensation, allowed only three hits, walked one man, and scored for the Merchants into the bargain.

Right-fielder Fitzgerald pulled the fastest play ever seen on the Jefferson field when he caught the only fly the visitors hit into the outfield, and then got the ball to Harms at home before the man coming from third got there, for a put-out.

Soldiers in Service of Science

Pictured above are soldier technical assistants to army surgeons at the Letterman General Hospital, Presidio of San Francisco. Hundreds of opportunities in the Medical Department of the new streamlined divisions of our rapidly expanding army recently have been allotted by the War Department. This authorized increase has created vacancies for X-Ray technicians, pharmacists, laboratory technicians, dental assistants, clerks, stenographers, ambulance drivers and others.

Conditions Perfect For Field Trials

"With such excellent competition and the perfect natural conditions under which to run," said Lawrence Miller, trial secretary of the Northern California Field Trials Club, "I don't see why our meet at Chico, next Saturday and Sunday, should not prove to be the finest ever held in the West. The 8,000-acre Dodge Ranch is located in the heart of the best native pheasant country in the state. And it is reported that wild ducks and quail are more plentiful in that area now than ever before.

"I was in Chico last week-end, in order to assist all interested owners of springer and cocker spaniels. I've entered by springer, "Jim of Marshfield," in the open all age stake.

"Ribbons and trophies will be awarded to first, second, third and fourth place winners for both the cockers and springers in each stake—puppy, limit and open-all age. The puppy stakes are open to dogs born after January 1, 1938, and up to two years old. The limit stake is restricted to dogs who have not won first place in an open age stake or two first places in any other but the puppy stake. The open-all age stake includes all dogs of cocker and springer spaniel breed in separate stakes," announced Miller.

Mayor Selmi Feted At Birthday Party

The birthday of the mayor, Paul G. Selmi, was celebrated Saturday evening at a birthday dinner given by Company No. 3, D. C. F. D., at Ric's Place, Colma.

"Yes, I enjoyed the evening very much," the mayor remarked today. "But Johnny Ferro did most of the celebrating."

Dinner and dancing rounded out the evening's festivities for the firemen and their wives.

Plan Hallowe'en Party More Thoroughly Asks Record Subscriber

(Editor's note—Published here is a subscriber's letter containing suggestions for future community Hallowe'en parties.)

To The Editor:
Dear Sir,

In regards to the Hallowe'en celebration of last Tuesday evening I feel compelled to offer this criticism and a few suggestions.

If those in charge are attempting to stage an affair of this kind, a little more time, thought and planning would be of great benefit.

First—The children love being in the parade, but they are marched up to the stand from the county line far too fast for the younger children to enjoy.

Second—When they reach Bepler street a lane should be roped off the length of Bepler street and on around the stand. The children should be made to follow this lane around the stand in rows of three or four to be judged on their costumes and to be given their ice cream last as they pass around the stand. Many of the younger children were hurt as the older children crushed them against the stand. No ice cream should be thrown from the platform or truck as the older children trample the younger ones down in their effort to get the ice cream.

The Daly City Firemen are to be complimented for their willingness to help on this occasion and I know if they are given instructions by those in charge they will gladly carry them out. The firemen could help to keep the children in the line I mentioned. In this manner they could be judged for their costumes if prizes are given and would be able to get their ice cream in a more orderly manner.

Any undue roughness should be taken care of. Bean shooters should be confiscated as I witnessed girls being struck in the eyes by the beans shot from them.

The younger children look forward to this time and would love to have a part in it just as well as the older children who are so thoughtless in hurting and crushing the younger ones.

Many of the younger children had their costumes torn from them in the wild jam in front of the stand which is so unnecessary.

The children are told about the celebration in the schools and naturally look forward to it .When the evening arrives it is simply urally look forward to it. When ment.

We all want the children to have a lovely Hallowe'en celebration, so here is to a bigger and better celebration in the future.

If as the present time there are not enough adults to handle the crowd of youngsters, possibly other organizations would be willing to lend their aid.

Sincerely,
Mrs. S. Sanders,
147 Woodrow street.

Sequoia High Takes Jeff 13-6

Sequoia Hi, a football team with a much lower rating than the San Mateans, whom the Jeffs humbled a week ago, took Friday's game against the local high school with a score of 13-6. The game was played here.

Sequoia got over for a touchdown in the first five minutes of play, but a penalty for roughing, which immediately gave the locals the ball, made the touchdown invalid. The first quarter was fought up and down the whole length of the field and ended as Jeff lost the ball on Sequoia's nine yard line.

In the second quarter Jeff showed its line defense when three times in succession, in the shadow of their own goal, Sequoia was thrown for a loss. Then, with a minute left in the half, Jeff picked up a Sequoia fumble, and the half ended on the Sequoia twenty.

Half-way through the third, Sequoia got the ball on a Jefferson fumble, and three plays after, Sequoia's left half, Ottsman, got away on an off-tackle play that was good for 25 yards, and a score. Sequoia's attempt at conversion was blocked by Poddig.

In the last five minutes of the third, Giusti got the ball on a reverse from Colombine and romped 68 yards for an Indian touchdown. Giusti's kick for conversion went wide.

Sequoia scored again in the fourth, when Ottsman made another run around end. This time Sequoia made the extra point.

Jeff took to the air in the last five minutes and it looked like they were going to click, but the third pass was intercepted by Sequoia, and the attack was over. Final score: 13-6.

Jefferson did not play a bad game, but they were not the team that worked with clock-like precision against San Mateo ten days ago. Both teams were guilty of more than the usual number of mistakes and fumbles.

William Wallace, in his usual near-professional manner, gave the play by play description over the P. A. system. Jefferson will play South City, Saturday, at South City.

Starting line-up for the Jefferson-Sequoia game follows:

Sequoia		Jefferson
Wright	LER	Poddig
Glassi	LTR	Faulk
Ottsman	LHR	Ruppert
McFaul	LGR	Bannantyne
Brown	C	Rigler
Bayne	RGL	Eldrup
Yamada	RHL	Giusti
Curtis	RTL	Hertz
Galvin	REL	Currier
Sheets	Q	Christen
Culloth	F	Colombine

D. C. Merchants Lose Close Game

Daly City Merchants lost their first game in the Winter league to the Spanish club in an eleven-inning game on the Jefferson diamond, Sunday. However, the defeat was due more to poor management than poor playing.

Score: 11-10.

Line-up of the Merchants follows:

	Ab	H	R
J. Lucia, lf	5	1	3
Cataldo, 2b	6	4	1
Butler, cf	4	1	1
Sloane, 1b	5	1	1
Dotoli, ss	5	0	0
Krohn, c	5	1	1
Madrid, 3b	5	2	2
Schuback, rf	5	4	1
Davies, p	2	1	0
Total	44	15	10

Davies pitched the first seven innings; Hawkley the last four.

Sixth Installment

History of Daly City Fire Department

(Editor's Note: This is the sixth installment of an informal history of the Daly City Fire department, dedicated to "those who serve—not for personal gain—but for the welfare of all."

Through the cooperation of William J. C. Goldkuhl, E. W. Goldkuhl sr., and Edward W. Goldkuhl jr., authors, and the Daly City Record this interesting story is made available to the general public.)

June 25, 1913, was a red letter day for the Daly City Fire Department, as the election for the passage of the water bonds took place. The passage of these bonds meant that the city of Daly City would own its own water system. This water system was to utilize artesian wells, whose water would be pumped to a reservoir on the hill overlooking the town.

With the acquisition of this water system, the Fire Department of Daly City eventually obtained a water pressure for fire fighting that was second to none.

A social side-light gleaned from the records shows that during these early periods one of the most keenly competitive sports between the companies was their tug-o-war. Great rivalry existed between the various members of the different departments as to which group had the best team.

During the month of August, the City Council of 1913 distributed to the various Fire Companies maps showing the location of the various plugs and bell towers. This speeded the efficiency of the department greatly. It is a praiseworthy fact that in this early period great cooperation was practiced between the City Council and the Fire Departments.

Insurance rates in these early days were very high, for insurance on a building was a novelty instead of a necessity, and there were often many mysterious fires in the town. People, as some thought, often liked to start fires to see if the insurance could be collected afterward.

Fires, however, were not the only threat to the well-being of Daly City to be faced by its Fire Department, for in January, 1914, because of an effort of a group of people within the town to dissolve the corporation of Daly City, Daly City Fire Department went on record with the following resolution:

"January 14: Resolved That We, the members of the Vista Grande Fire Company, do hereby go on record as being unanimously opposed to any action taken or being toward the disincorporation of Daly City."

Through the efforts of the saner people and the Daly City Fire Department, this ridiculous idea was done away with.

You'll SEE a BIG difference when you have a MODERN DIFFUSED LIGHT

There is a lot of good "seeing-sense" built into the modern floor lamp. With a click, click, click you can turn on 100 watts, 200 watts or 300 watts which will give proper levels of light in rooms with average ceilings or 200 watts, 300 watts or 500 watts for rooms with above average ceiling height. The lower levels of light you will find just right for quiet conversations — higher levels you will find necessary for eye comfort when reading, playing cards, sewing or other intense eye work.

Ask to see these modern Better Sight Lamps when you buy a new lamp. Make sure that a white lined shade, diffusing bowl and right-sized bulb are parts of the lamp you are buying.

Tune in on the P. G. & E. EVENING CONCERT KYA 8 to 10 every night
The world's finest music by the world's greatest artists

A three-light bulb big enough to do a real lighting job. 100-200-300 watts for the average room. 200-300-500 watts for rooms with high ceilings.

A diffusing bowl under the shade provides pleasing light—softly diffused and without glare. Diffused light is comforting to the eyes.

A shade with a white lining produces one-third again as much light as one with a dark colored lining. Ideal reading light at all times.
